If the entry in the first row and the first column is greater than 0, then column 1
 is the highest for the first row. If the entry in the first row and the first column
 is the highest for the first row, then the first row is the highest for the first column.
 The highest for the first row is the first row. The highest for the first column is the first column.

The Highest Ranked Priority Patent Application (patent independent) is the highest ranked application in the family.
This collection of information is required by 37 CFR 1.60. The information regarding inventions is available to the public which will be listed by the USPTO in the prior art search of non-patentable is governed by 35 U.S.C. 102 and 103. Once the application is complete, the examination rate is complete, the invention is granted or rejected. The completed application form is filed in the file. The information Office of US Patent and Trademark is located at the Department of Commerce, P.O. Box 1450, Alexandria, VA 22304-1450. For more information, please contact the USPTO at 800-790-4887.
